Attention: Chair of Burnaby Parks, Recreation & Cultural Services Commission;

We are writing on behalf of the École Westridge Elementary Playground Committee and Parent Advisory Council to present our application for a playground grant with the City of Burnaby.

Over the past four years our PAC has raised \$28 000 towards the goal of replacing the aged playground structures at our school. The school playground is open to the members of the community and is used extensively by children during and after school hours. This playground has been a longstanding priority for the PAC, parents and students of our school; therefore, we would like to apply for a playground grant in the amount of \$4000.

|---------------------------------------|----------|
| • Total cost of playground components | \$32 000 |
| • Funds raised                        | \$28 000 |
| • Amount requested from grant         | \$ 4 000 |

The PAC has received approval from the Burnaby School District to install the playground equipment this year and to cover the installation costs (see attached).

If you have any questions please contact Janice at 604-838-2231 or by email at [westridgepac@gmail.com](mailto:westridgepac@gmail.com) . Thank you for considering our application.

Kind regards,

Westridge Elementary PAC Executive:

Dear Ms Cirotto:

The Burnaby Board of Education is pleased to support the application by the Parent Advisory Council of Westridge Elementary School for a Playground Development Grant to replace their playground.

It is our understanding the PAC and the school have already raised \$28,000 of the estimated \$32,000 cost. The district hereby undertakes to install the playground equipment within twelve months of the grant approval.

Thank you for considering the application by the Westridge PAC.

Yours very truly,

Dear Ms. Cirotto:

On behalf of the Gilpin Elementary School Parent Advisory Council (PAC), please accept this letter as our application for the City of Burnaby's 2015 Playground Development Grant.

Gilpin is located in a beautiful park setting and the playground is used year round by the students at Gilpin, the preschool program run by the Neighbourhood House and by the entire community that live in Deer Lake Place. Our school has increased by two divisions over the last couple of years which demonstrates the appeal our school has to many families and the higher proportion of young families in our catchment area.

The Gilpin PAC has been working tirelessly for the last 2 years to raise funds to enable the following playground enhancements:

- Expand the playground area by approximately 12 feet to the west.
- Add a wheelchair accessible merry-go-round spinner to be enjoyed by any child on the playground.
- Add a very popular and fun double twister play apparatus.
- And a huge climbing net, our biggest addition to the playground.

We have raised \$41,000 of the \$45,000 we need and ask that the Burnaby Parks, Recreation and Cultural Services grant us the remaining \$4000.

The Burnaby School District has approved our project and a letter of support is attached. A letter of support from our principal, Sean Gaster, is attached as well.

The daycare and preschool facility on school premises that is run by Burnaby Neighbourhood House uses the playground to allow children in its care time outdoors. A letter of support from Antonia Beck, its Executive Director, is attached.

Thank you for your support.

Sincerely,

Attention: Mara Cirotto

Dear Ms. Cirotto,

RE: City of Burnaby, Parks, Recreation, and Cultural Services Playground Grants (\$4000.00)

Please find attached a letter of application from our Gilpin Parent Advisory Council as well as a letter of support from our Secretary Treasurer's office.

In addition to school use of this equipment there is a South Burnaby Neighborhood House before and after school childcare program as well as a preschool program that runs throughout the day that will benefit from this playground upgrade.

The \$45,000.00 cost of this initiative does not include the installation, ground preparation, benches or the required plastic border and perimeter pathway installation. As is the Burnaby School Board's policy and practice, they absorb this cost as part of their support to schools in playground development.

Through a process of collaboration with parents, teachers, students and conversation with Burnaby School District Facilities Manager (Russ Sales) and conversation with "Habitat" we have come up with a number of pieces, one of which is accessible for both preschool aged children and students with mobility issues. (wheelchair) These new pieces will be additions to the current playground structures and swing assemblies.

Thank you for your consideration of this application and please call me for further information if it is required.

Sincerely,

Dear Ms. Cirotto:

I am pleased to write this letter in support of the Gilpin Elementary School Parent Advisory Council's grant application for funding to support the development of an accessible playground.

Providing increased opportunities for gross motor play is essential to the physical development of children in our community. It is important that these opportunities do not exclude children with special needs. The enhancement of the playground at Gilpin Elementary to address and increase accessibility will not only benefit the students of the school but the community as a whole, including our Neighbourhood House's preschool and before and after school child care programs that are located on Gilpin Elementary school grounds. The children within our programs will also have increased access to outdoor play.

As a key stakeholder and provider of support services for children and families in Burnaby, our agency is committed to supporting Gilpin Elementary School Parent Advisory Council in the development of the new playground.

Sincerely,

**Antonia Beck**

## COMMISSION REPORT

**TO:** CHAIR AND MEMBERS  
PARKS, RECREATION & CULTURE COMMISSION

**FROM:** DIRECTOR PARKS, RECREATION AND CULTURAL SERVICES

**SUBJECT:** 2015 RECOGNITION NIGHT

**RECOMMENDATION:**

1. **THAT** approval be given to host Recognition Night on Friday, 2015 April 24 at the Clubhouse at Riverway Golf Course.

**REPORT**

In 2014 the Commission hosted its annual Recognition Night on May 09 at the Clubhouse at Riverway Golf Course with approximately 180 people in attendance. The purpose of Recognition Night is to recognize the important contribution that the volunteer community groups add to the provision of parks, recreational and cultural programs and services in the city.

After hosting this annual dinner for approximately 40 consecutive years, the event continues to be popular with Burnaby's community organizations. The invitation criteria reflect that the community organizations provide a service or partnership role which enhances the services provided by our department.

The invitation criteria are as follows:

1. The purpose of Recognition Night is to honour representatives from not-for-profit groups which provide a significant benefit to the community through the provision of parks, recreation and cultural services through either a partnership or as a service which enhances that offered by the department.
2. Representatives are invited from groups who offer open membership to all qualified and interested Burnaby residents.
3. Representatives are invited only from those sports associations which represent more than one team.

After hosting the event for approximately 10 years at the Shadbolt Centre for the Arts, the opening of the Clubhouse at Riverway Golf Course provided an opportunity to explore a new City venue for this annual event in 2012 and the new location has proven to be very successful.

Staff will be working on the arrangements in the coming months and a draft program is attached for the Commission's information. The total budget for the 2015 Recognition Night is \$11,500.

**SUBJECT:** PLAYGROUND DEVELOPMENT GRANT REQUESTS FROM GILPIN  
ELEMENTARY SCHOOL AND ÉCOLE WESTRIDGE ELEMENTARY  
SCHOOL

---

**RECOMMENDATIONS:**

1. **THAT** the playground development grant requests from Gilpin Elementary School and École Westridge Elementary School be approved.
2. **THAT** a copy of this report be forwarded to; Ann Johannes, Gilpin Elementary Pac Chair; Sean Gaster, Gilpin Elementary Principal; and the Pac Executive of École Westridge Elementary (Janice Ho, Co-Chair, Debra Phillipson, Co-Chair, Rhonda Manson Vice-Chair, Colin Sian, Secretary, Yuko Kiyama, Treasurer).
3. **THAT** Council be requested to authorize the City enter into an agreement with the Burnaby School District for the contribution to the cost of the playground upgrades as detailed in this report.

**REPORT**

Appearing on the agenda is correspondence from Ann Johannes, Gilpin Elementary Pac Chair and Sean Gaster, Gilpin Elementary Principal. Also included on the agenda is correspondence from the Pac Executive of École Westridge Elementary (Janice Ho, Co-Chair, Debra Phillipson, Co-Chair, Rhonda Manson, Vice-Chair, Colin Sian, Secretary, Yuko Kiyama, Treasurer). Both PACs are requesting a grant from the 2015 Annual Operating Playground Development Budget to assist with the redevelopment of their playgrounds.

There is \$12,000 budgeted annually for playground funding requests and, with few exceptions, the fund is expended each year. The Playground Funding Requests Criteria are attached (Attachment #1). The first two schools to request a grant this year are Gilpin and Westridge.

Both schools meet the Playground Grant guidelines and have received approval from the Burnaby School District to install the playground components within 12 months of receiving the Playground Grant. Gilpin Elementary last received a grant in 2001 and École Westridge Elementary last received a grant in 2011.

## **CRITERIA FOR PLAYGROUND DEVELOPMENT FUNDING REQUESTS**

The purpose of the Playground Development Grant is to recognize the fundraising efforts of Burnaby parents, as well as improve the play experience at school playgrounds for the community at large, as a valuable way to participate in physical activity and connect with neighbours, uses these assets.

### **CRITERIA:**

1. The project is initiated and cost shared by a parent group and the Burnaby School Board. The parent group must have 50% of the project cost raised at the time of the request. The Playground Development Grant will provide matching funds up to a maximum of \$4,000.
2. The facility will be accessible to the public and thus provide a public benefit beyond serving the schoolchildren during school hours.
3. The parent group may request a grant once every 4 years.
4. The remainder of the funding for the entire project needs to be either in place or very close to being finalized.
5. Parks, Recreation & Cultural Services staff will be allowed input into the design process.
6. The Burnaby School Board must approve the project and its installation of the playground within 12 months of the grant approval. Consequently, a letter from the School District must be included with the request. The parent group may contact Sandra Brunner (Sandra.Brunner@sd41.bc.ca) to arrange for a letter of support.
7. The grant can be used for equipment and/or for the purchase and planting of trees and/or shrubs for the playground area or garden projects.

### **OPERATIONAL GUIDELINES:**

1. Projects are considered on a first come, first served basis. Requests will be time dated and received after the 3<sup>rd</sup> Monday of January of the year the grant is available.
2. Playground Development Grants are only available if approved in the City of Burnaby's Annual Capital Budget
3. In the event the Playground Development Fund is completely allocated prior to year end, staff will advise Commission of all subsequent requests for their consideration.

**SUBJECT:** BURNABY FRASER FORESHORE PARK - FRASER RIVER DYKE  
REHABILITATION COMPENSATION SITES

**RECOMMENDATIONS:**

1. **THAT** approval be given for use of two sites within Burnaby Fraser Foreshore Park for required Department of Fisheries and Oceans compensatory environmental in-stream and salmonid habitat enhancement works along Glen Lyon Creek and Fraser River foreshore riparian plantings, for the dyke rehabilitation and upgrade works undertaken by the City along reaches one and nine of the Fraser River North Arm dyke, as outlined in this report.
2. **THAT** a copy of this report be sent to the Environment Committee for information.

**REPORT**

As part of the City's ongoing program to upgrade flood protection works along the Fraser River the Director Engineering is requesting the use of several areas within the Burnaby Fraser Foreshore Park for the installation of aquatic, riparian and terrestrial habitat compensation works required by the Department of Fisheries and Oceans. The City's Burnaby Fraser Foreshore Park, a linked system of linear and large park area, extends over about half of Burnaby's river corridor. The proposed compensation sites are at two separate locations within the park as illustrated in the park map (Attachment #1), and involve building meanders and fish habitat into a section of the Glen Lyon Creek watercourse in an upland area of the park, and riparian planting along the Fraser River dyke and foreshore from Byrne Road to the Fraser Park Drive cul-de-sac.

Engineering Department Staff have submitted conceptual plans for the proposed habitat compensation works prepared by Dillon Consulting which meet the DFO's requirements and are acceptable to Parks Staff. Preservation of visual corridors to the Fraser River have been considered and protected in the riparian planting plan. The proposed Glen Lyon Creek stream channel alignment changes, including pools, and in-stream habitat complexing and riparian area planting will enhance the habitat value of this conservation zone within the park to support aquatic and terrestrial wildlife species, including Stickleback and Chinook Salmon found along this reach of Glen Lyon Creek.

From: Director Parks, Recreation & Cultural Services  
Re: Burnaby Fraser Foreshore Park - Fraser River Dyke  
Rehabilitation Compensation Sites

..... Page 2

Signs will be posted in the park notifying the public of any temporary disruptions.

The construction contract will include a five year monitoring and maintenance period for the compensatory works on Glen Lyon Creek. Provision has been included in the channel design for a sediment pond facility at Marine Way with access for Engineering Operations, who are responsible for maintaining the Glen Lyon Creek watercourse.

The City must complete the installation of the required compensation works by 2015, December 21<sup>st</sup>. In order to meet this timeline, a number of approvals are required in sequence commencing with Commission approval, at its 2015, February 18<sup>th</sup> meeting, for use of the proposed compensation sites within Burnaby Fraser Foreshore Park.

---

**RECOMMENDATIONS:**

1. **THAT** staff be directed to enter into an agreement with the Rotary Clubs of Burnaby to fund the development of a fitness circuit in Fraser Foreshore Park as outlined in this report.
2. **THAT** Council be requested to concur.
3. **THAT** a copy of this report be sent to appropriate representatives of the three Rotary Clubs of Burnaby.

**REPORT****Background**

Burnaby Fraser Foreshore Park comprises 79.09 hectares (195.5 acres) and provides unbroken access to the North Arm of the Fraser River for approximately 4.5 kilometres between the City of Vancouver boundary and the Big Bend. For thousands of years the river was an important source of salmon, a primary food source for aboriginal communities, and acted as a transportation conduit. Much of the park land remains as open space today with direct access to the shore where sawmills, warehouses and industrial shops once stood. The most visible remaining remnant of river industry is the Commonwealth Pier near Tillicum Street which was rebuilt for public use in 1999.

Today, Foreshore Park has become one of the most popular parks in Burnaby and offers a legacy of remnant riparian forests along rehabilitated streams interspersed with recreational amenities and a continuous waterfront path system.

..... Page 2

### **Proposed Fitness Circuit Design**

To enhance and expand the park user experience, a 12 station fitness circuit has been proposed to be added to the park between Byrne Road and Tillicum St. The layout of the circuit (Attachment #1) responds to the linear configuration of the park and the majestic views of the Fraser River.

The circuit utilizes both the lower waterfront trail and the upper dike paths adding connections at either end to create a loop system. Geographically, the circuit would be approximately 450 metres long, with an overall ground route length of about 960 m. The circuit would be demarcated by vertical timber gateway piers symbolizing river industry at the east and west entry points. The west gateway would also have a bronze plaque embedded in a concrete plinth to mark Canada's Sesquicentennial 150<sup>th</sup> Birthday. The fitness stations will be located in four universally accessible "pods" each having three work stations. It is anticipated the fitness circuit construction cost will be approximately \$150,000 including path upgrades and new path returns, gateway structures, exercise equipment, plaques, taxes, fees and contingency.

### **Proposed Fitness Circuit Sponsorship**

The Rotary Clubs of Burnaby have expressed an interest in sponsoring the development of the fitness circuit in Burnaby Foreshore Park to commemorate Canada's Sesquicentennial, 150<sup>th</sup> birthday. Pending approval of the concept, an agreement between the City of Burnaby and the Rotary Clubs of Burnaby would be drafted and executed. The Rotary Clubs would create an internal donation program with the intent of raising \$150,000 to cover all costs for the project. Provision for sponsor recognition would be made at individual exercise stations where a small bronze plaque with limited number of characters would be installed. In addition, the gateway entry features would be designed to support both the City of Burnaby logo and the Rotary International logo. The intent is to fundraise, build and then open the facility on July 1<sup>st</sup> 2017.

**13. Burnaby Mountain and Riverway**

**\$25,000**

Replacement and improvements to minor equipment.

Sufficient Capital Reserves are available to complete the above projects in the 2015 Provisional Financial Plan. It is recommended that Council be requested to bring down a bylaw to appropriate \$1,036,260 (inclusive of GST) from Capital Reserves to finance these projects.
