INTER-OFFICE MEMORANDUM

TO: CHAIR AND MEMBERS OF THE EXECUTIVE COMMITTEE OF COUNCIL DATE: 2016 October 27

FROM: DIRECTOR ENGINEERING FILE: 33200 02

SUBJECT: BANNING SMOKING AND VAPOUR SMOKING IN PUBLIC SPACES

At the Executive Committee meeting on 2016 September 21, the Committee received a correspondence from the Canadian Cancer Society requesting Council support to ban smoking including electronic smoking devices in restaurants and bar patios, outdoor public spaces, parks, beaches, trails and playgrounds. Arising from the discussion, the Committee requested staff to provide a memo on the City's current no-smoking policy in comparison to other municipalities in the Lower Mainland and provide comments on whether the initiative identified in the noted correspondence is supportable.

Staff has completed a review of the no-smoking policy in other municipalities in the Lower Mainland and note that the restrictions with respect to smoking in public places continue to vary amongst communities (see *Attachment #1*). With regards to vapour smoking, five communities in the Lower Mainland (City of Vancouver, City of Coquitlam, City of North Vancouver, Corporation of Delta and City of Maple Ridge) have included vapour smoking into their smoking bylaw.

It is to be noted that the City did have a Smoking Regulation Bylaw which was enforced by the Fraser Health Authority on behalf of the City. However, given that banning of smoking in public spaces arises as a Provincial function and that the Provincial Tobacco and Vapour Control Product Act includes restrictive measures for both cigarettes and more recently vapour smoking in public spaces, the City repealed its smoking bylaw in 2013. Fraser Health staff now continues to enforce the provisions of the Provincial Tobacco and Vapour Control Act in Burnaby. With respect to the vapour smoking restrictions in Burnaby, staff spoke to the Fraser Health official and was informed that their staff are presently educating the retail operators regarding the requirements related to vapour smoking. This will be followed up with progressive enforcement both at the retail level and where complaints are received regarding vapour smoking in public spaces.

The festival has been held at the Gizeh Centre for the past three years but that location is currently in jeopardy due to a potential sale of the building. The club is seeking an alternative venue (with a sprung floor) should the Gizeh Centre not be available; however, the location is not yet confirmed at this time.

Dear Burnaby City Council,

"Big Sisters of BC Lower Mainland has had a profound impact on my life – not only as a Little Sister, but also as a maturing adult. The support of this organization and the friendship of my Big Sister have meant the world to me. Without Big Sisters and my Big Sister, I can tell you that I would not be where I am today. I would not have had the drive to enroll in university, I would not be able to say that I now have a healthy and loving relationship with my mum, and I would not have developed confidence in myself to push through life's daily struggles." – Jenny, Little Sister

Vulnerable girls throughout the Lower Mainland of BC, just like Jenny, are waiting for a Big Sister of their very own. Someone in their corner, who supports them, listens to them and helps build their confidence. Big Sisters of BC Lower Mainland facilitates mentoring relationships that champion a girl's potential.

Each time Big Sisters of BC Lower Mainland pairs a young girl with a role model, we start something incredible: a one-to-one relationship built on trust and friendship that can blossom into a future of unlimited potential. At a time in their lives when even small choices can change the course of their future, having a Big Sister can help at-risk girls avoid a life riddled with low self-esteem, trauma, substance abuse and poverty.

On behalf of all our Big Sisters, Little Sisters, Board of Directors and staff we wish to thank you for the City of Burnaby's past support of our mentoring programs. We would be honored if you would consider renewing your support by investing in our Burnaby Big Sisters Program. A gift of \$12,000 will make a positive difference in the lives of six vulnerable girls from Burnaby in 2016.

Your gift can help us to build more than just productive mentoring relationships – you can help us create brighter futures for young women. Big Sisters is a volunteer-based organization aimed at prevention and intervention, as research shows that a supportive relationship with a caring adult is a major factor in helping children overcome challenges in their lives.

Thank you for taking the time to consider our proposal. Your financial support will enable Big Sisters to provide vital mentorship to vulnerable girls and help build brighter futures. Should you have any questions, please contact Fleur Cooper our Senior Manager, Corporate Giving, at the coordinates below.

Sincerely,

Brenda Gershkovitch
Executive Director
