**Re: Update on Burnaby Neighbourhood House (BNH) and
Growth in North Burnaby**

Speakers: Ernie Kashima, BNH Board Chair

**Sue Montabello, BNH Board Member & Chair of the
BNH North House Steering Committee**

**Jennifer Lyle, Vice Chair of the BNH North House
Steering Committee**

Mr. Ernie Kashima, Burnaby Neighbourhood House (BNH) Board Chair, **Ms. Sue Montabello**, BNH Board Member & Chair of the BNH North House Steering Committee, and **Ms. Jennifer Lyle**, Vice Chair of the BNH North House Steering Committee, appeared before Council and provided an update on the organization's development and future growth in Burnaby. The speakers provided copies of the 'Burnaby Neighbourhood House Annual General Report' and the 'Burnaby Neighbourhood House Community Impact Report' to Council for information.

Mr. Kashima noted the BHN priorities, which include addressing isolation of seniors and other local residents, growing childcare operation, finding a permanent and affordable home for the North House, focusing on sustainability of programs and funding opportunities, and systems and succession planning.

Ms. Lyle provided an overview of the North House's initiative on the community needs assessment, and advised that over 2,200 community members were involved in 2017. The results of the assessment noted three areas of focus: 1) cultural diversity and arts; 2) family focus; and 3) food security.

Ms. Montabello outlined the current challenges of the organization including the impact of increased density on service demands, increased operating costs, funding challenges, and identifying/securing a permanent suitable space for North House. The speaker requested the City assist in the identification of a suitable location for the North Burnaby House, and decrease South House leasing costs.

B) [New Westminster & District Labour Council](#)
Re: Day of Mourning
Speaker: Sam Otim

Mr. Sam Otim, representing the New Westminster and District Labour Council (NWDLC), appeared before Council and presented information regarding the Annual Day of Mourning for workers killed or injured on the job.

The speaker noted that health and safety in the workplace is everyone's responsibility, and education is the key to prevent injuries and death. This year, the BC Labour Heritage Centre partnered with the BC Principals' and Vice-Principals' Association, BC School Trustees' Association, BC Teachers' Federation, CUPE BC and WorkSafe BC on the BC Schools Project. The BC School Project provides educational resources to schools, seeks to educate young workers on workplace safety and worker rights, and encourages schools participation in the Day of Mourning.

Mr. Otim encouraged Council and residents to commemorate the Day of Mourning for workers killed and injured on the job on Saturday, 2018 April 28 at 11:00 a.m. at the Pier Park in New Westminster.

A minute of silence was held in memory of those workers killed and injured on the job.

One of the conditions for the release of occupancy permits will be the completion of all requisite services.
 - c) The installation of all electrical, telephone and cable servicing, and all other wiring underground throughout the development (as well as underground switching and transformer/service boxes in town centre locations), and to the point of connection to the existing service where sufficient facilities are available to serve the development.
 - d) The submission of an undertaking to remove all improvements from the site.
 - e) The utilization of an amenity bonus through the provision of a cash in-lieu contribution in accordance with Section 3.4 of this report.
 - f) The consolidation of the net project site into one legal parcel.
 - g) The granting of any necessary statutory rights-of-way, easements and/or covenants.
 - h) The granting of a Section 219 Covenant:
 - § restricting enclosure of balconies;
 - § indicating that project surface driveway access will not be restricted by gates;
 - § ensuring compliance with the approved acoustical study;
 - § guaranteeing the provision and ongoing maintenance of stormwater management facilities;
 - § ensuring the provision and ongoing maintenance of Electric Vehicle (EV) charging stations as outlined in Section 3.3 of this report;

- § ensuring that seven handicap accessible parking stalls in the underground residential parking areas be held in common property to be administered by the Strata Corporation; and,
- § guaranteeing the provision and ongoing maintenance of public art.
- i) The submission of a suitable on-site stormwater management system to the approval of the Director Engineering, the deposit of sufficient monies for its provision, and the granting of a Section 219 Covenant to guarantee its provision and continuing operation.
- j) The review of a detailed Sediment Control System by the Director Engineering.
- k) The submission of a suitable Solid Waste and Recycling plan to the approval of the Director Engineering.
- l) The design and provision of units adaptable to persons with disabilities, the provision of customized hardware and cabinet work being subject to the sale/lease of the unit to a disabled person and with allocated disabled parking spaces.
