- a) The submission of a suitable plan of development.
- b) The deposit of sufficient monies, including a 4% Engineering Inspection Fee, to cover the costs of all services necessary to serve the site and the completion of a servicing agreement covering all requisite services. All services are to be designed to City standards and constructed in accordance with the Engineering Design. One of the conditions for the release of occupancy permits will be the completion of all requisite services.
- c) The installation of all electrical, telephone and cable servicing, and all other wiring underground throughout the development, and to the point of connection to the existing service where sufficient facilities are available to serve the development.
- d) Demolition of any improvements will be permitted after Second Reading of the Rezoning Bylaw has been granted provided that the applicant acknowledges that such permission does not fetter Council's ability to grant or not to grant Third Reading and/or Final Adoption of the Rezoning Bylaw. In addition, the demolition of any improvements will be permitted at any time if they are vacant and considered by staff to be subject to misuse and vandalism. If requested, demolition may be delayed to more closely coincide with approval of building permits.
- e) The utilization of an amenity bonus through the provision of a \$10,302,627 cash in-lieu contribution in accordance with Section 3.2 of this report.
- f) The consolidation of the net project site into one legal parcel.
- g) The granting of any necessary Covenants, including, but not necessarily limited to, Section 219 Covenants restricting enclosure of balconies; indicating that project surface driveway access will not be restricted by gates; guaranteeing the provision and maintenance of public art; ensuring the provision and ongoing maintenance of electric vehicles and EV plug-in stations; providing that all disabled parking to remain as common property; and ensuring compliance with the submitted acoustical analysis.
- h) The design and provision of units adaptable to persons with disabilities with allocated handicap parking spaces protected by a Section 219 Covenant.
- i) The undergrounding of existing overhead wiring abutting the site.
- j) Compliance with the Council-adopted sound criteria.

- k) The provision of covered car wash stalls and adequately sized and appropriately located garbage handling and recycling material holding space and a commitment to implement the recycling provisions.
- l) The submission of a suitable Solid Waste and Recycling Plan to the approval of the Director Engineering.
- m) The review of on-site residential loading facilities by the Director Engineering.
- n) The provision of facilities for cyclists in accordance with this report.
- o) The review of a detailed Sediment Control System by the Director Engineering.
- p) Compliance with the guidelines for underground parking for visitors.
- q) The submission of a suitable on-site stormwater management system to the approval of the Director Engineering, the deposit of sufficient monies for its provision, and the granting of a Section 219 Covenant to guarantee its provision and continuing operation.
- r) The deposit of the applicable Parkland Acquisition Charge.
- s) The deposit of the applicable GVS & DD Sewerage Charge.
- t) The deposit of the applicable School Site Acquisition Charge.
- u) The submission of a written undertaking to distribute area plan notification forms, prepared by the City, with disclosure statements; and, to post area plan notification signs, also prepared by the City, on the development site and in the sales office in prominent and visible locations prior to Third Reading, or at the time marketing for the subject development commences, whichever is first, and remain posted for a period of one year, or until such time that all units are sold, whichever is greater.
