Dear Office of the City Clerk,

I, My Nguyen, authorized by Venerable Thich Nguyen Thao (owner of the farm at 8709 Royal Oak, Burnaby), would like to request to appear as a Delegation before Council on **February 16, 2015** to request permission from the city for the monks living in their farm and their guests to practice their religion and continue to do charity work while waiting for permission to rezone a portion of the property to build a temple.

Thank you very much.
