Re: Delegation for April 13, 2015

To whom it may concern,

I would like to book a 10-minute delegation for April 13, 2015, to present Canada Bikes to the Mayor and Council and to invite them to be part of Bike Day in Canada, May 25, 2015.

Canada Bikes is the national, non-profit organization for commuter, touring and recreational cycling.

Thank you,
