#### **A) BC Recreation and Parks Association 'Facility Excellence Award' for Edmonds Community Centre**

His Worship, Mayor Corrigan announced that the BC Recreation and Parks Association awarded the City of Burnaby Parks, Recreation and Cultural Services Department with the BCRPA Facility Excellence Award for the Edmonds Community Centre. The award was presented to Councillor McDonell at the Association's annual symposium held last week in Victoria.

Mayor Corrigan noted the extensive public consultation process prior to construction of the facility resulted in a “people’s” community centre, a place where the physical design of the centre, along with its programs and services reflect the needs and preferences of the community. The features of this landmark facility include a six-lane swimming pool, a leisure pool with a lazy river, two full size gymnasiums, a 7,000 square foot fitness area, a 3,000 square foot active studio, and multi-purpose rooms.

The Mayor advised that the role of the Centre extends beyond a recreational and cultural facility, to be a significant neighbourhood gathering place. Elements were intentionally incorporated into the design to make it conducive for informal connections throughout the Centre, creating a very welcoming atmosphere, and resulting in positive social benefits in the surrounding area.

In conclusion, the Mayor, on behalf of Council, extended congratulations to all of the citizens and staff who are helping to use this new facility to its best advantage.

**B) BC Good Neighbours Award  
Recipient – Councillor Paul McDonell**

His Worship, Mayor Derek Corrigan announced that Councillor Paul McDonell has received a Good Neighbour Award from the Association of Neighbourhood Houses of BC. Following is the text of the Mayor’s remarks:

“Tonight, I want to recognize an incredible achievement by one of our City Councillors who was honoured on May 7th by the Association of Neighbourhood Houses of BC for his long-standing community leadership.

At this year’s 30th Annual Good Neighbour Awards, Councillor Paul McDonell was awarded the 2015 BC Good Neighbour Award for his dedication and many years of highly-effective community service in his neighbourhood of Burnaby-Edmonds and around the province.

The Association of Neighbourhood Houses of BC hosts these awards each year as a celebration of the spirit of volunteerism and neighbourliness. The organization opens its doors for over 270,000 individual visits every year, connecting neighbours, reducing isolation, welcoming newcomers and making a difference in thousands of lives.

On behalf of your colleagues and friends, I want to pass on our sincere congratulations and appreciation to you Councillor McDonell on receiving this special award. It is always evident for those who see Councillor McDonell on a regular basis just how hard-working and deserving he is to receive this honour. They don’t call him Mr. Burnaby for nothing!

Councillor McDonell embodies the spirit of community service and leadership and has made a real difference especially in his neighbourhood of Burnaby-Edmonds where he has played a key role in bringing people together and affecting positive change at various levels of the community.

Councillor McDonell has worked throughout the years in many volunteer capacities; he was highly involved with many charitable causes during his time as a firefighter in Vancouver before he retired as Deputy Chief in 1999. He has held the positions of Chair and Provincial Director of the Muscular Dystrophy Association of BC, and he is a past-Chair of the Burnaby and Simon Fraser Health Boards. Councillor McDonell also worked closely with the United Way for 7 years and acted as Chair for one year which gave him a unique perspective on the range of issues faced by people in the community as well as the importance of partnerships in building community-based solutions and positive change.

As a Burnaby resident, Councillor McDonell's commitment and passion for serving his own community has led him to support the creation of the Burnaby Edmonds Lions Club and he worked tirelessly to initiate the first Edmonds Santa Claus Parade.

As a Lions member and a member of the Edmonds Town Centre Business and Community Resident Association, he has also worked hard to address crime and graffiti by spearheading several mural projects. In 2005, Councillor McDonell brought supporters together to initiate the Edmonds City Fair which has become the annual City Fair and Classic Car Show held each July.

On top of his most recent BC Good Neighbor Award, Councillor McDonell was awarded the Queen Elizabeth II Diamond Jubilee medal in 2013 for his significant achievement and service to his fellow citizens.

Thank you again for all you do in the community Councillor McDonell and if there is anyone who is deserving of this award, it is you."
