Burnaby, BC V5G 1M2

Dear Mayor and Council,

On behalf of the Northeast Burnaby Community Association, I am writing to request permission to post standard election-sized lawn signs (plastic sleeves with metal prong stands) for the purpose of advertising our community summer camp program, Fun Rec Day Camp. We would like to have signs displayed along various roads between Lake City Way and North Road, and north of Lougheed Highway. We hope that the signs could be displayed from Monday, May 25th – Friday, June 5th. Our non-profit program has been involved in the Stoney Creek community for over 30 years now, and we have about 300 children aged K-7 register for our program each summer.

We look forward to hearing back from you. If you need additional information, please contact us at 778-887-5391, or by email at funrecdaycamp@gmail.com.

Sincerely,

Karen Agabob
Chairperson
Northeast Burnaby Community Association

NOTE: The request from NEBCA is for advertising their summer day camp program to elementary aged school kids (registration fee payable). The request is not for a community oriented special event of potential interest to the general public. There are also many other potential organizations that would want to promote their summer day camp programs within Burnaby such as Burnaby Parks and Recreation, SFU, YMCA, BCSPCA and other various private companies. It is recommended that these promotions should not occur on City streets and that the request from NEBCA be denied. Instead, the NEBCA should try to work with Burnaby School District 41 since their target audience is school aged kids.
