

June 5, 2015

Burnaby Environment Committee,

As per suggestion from City Councilor James Wang, I would like to attend your meeting on June 9 as a delegation and present some ideas and suggestions on improving Burnaby's living environment, protecting trees, as well as earthquake and emergency preparation in neighborhoods that are included in city's plan as "Multiple Family Residential".

Jerry Huang

Burnaby Resident

Address: #307 – 5568 Barker Ave, Burnaby, BC V5H 2N9
