**SUBJECT: CONTRACT AWARD 2015-33  
CEDAR CREEK STABILIZATION PROJECT**

**PURPOSE:** To obtain Council approval to award a construction contract for the Cedar Creek Stabilization Project.

---

**RECOMMENDATION:**

1. **THAT** a construction contract be awarded to Tybo Contracting Ltd. for a total cost of \$1,255,800 including GST in the amount of \$59,800 for work as outlined in this report. Final payment will be based on actual quantity of goods and services delivered and unit prices as tendered.

**REPORT**

Three tenders for this contract ranging from \$1,255,800.00 to \$1,475,085.15 were received by the closing time on 2015 July 13. The work of this contract involves the stabilization of Cedar Creek, which includes tree removal, clearing and grubbing, import and placement of approximately 12,000 tonnes of various granular materials, installation of storm sewers, flow control structures, landscaping and associated works.

The recommended bidder Tybo Contracting Ltd. has not undertaken a contract for the City in the past; however reference checks from the Ministry of Transportation and Infrastructure and City of Surrey indicate they have successfully completed similar projects in a satisfactory manner. Our consultant's review indicates that the contractor has the resources to successfully complete the work required under this contract. The Director Engineering concurs with this recommendation.

Funding for this capital work is included in the 2015 – 2019 Financial Plan under the WBS element ELD.0016 (\$1,196,000).
