**SUBJECT: CONTRACT EXTENSION
ASPHALTIC CONCRETE PAVEMENT REPAIRS**

PURPOSE: To obtain Council approval for a one year contract extension for asphaltic concrete pavement repairs.

RECOMMENDATION:

1. **THAT** Council approve a one year contract extension for asphaltic concrete pavement repairs with Winvan Paving Ltd. at a total estimated cost of \$420,000 including GST in the amount of \$20,000. Final payment will be based on actual quantities ordered and quoted unit prices.

REPORT

In 2011 August, the City issued a tender for asphaltic concrete pavement repairs which resulted in the award of a one year contract to Winvan Paving Ltd. The tender document allowed for up to four (4) one year contract extensions.

This recommendation is for the fourth contract extension. Winvan Paving Ltd. has offered to hold their unit pricing at current rates for the extension period of 2015 August 15 to 2016 August 14. These unit rates are as originally tendered in 2011. The repair services are delivered to various jobsites within the City as required.

The Director Engineering concurs with this recommendation.

Funding for these requirements is provided as follows: \$104,800 from 2015 Watermain Renewal (EJA.0013), \$104,800 from 2016 Watermain Renewal (EJA.0014), \$47,600 from 2015 Sidewalk Replacements (EMD.0018), \$95,200 from 2016 Sidewalk Replacements (EMD.0020) and \$47,600 from 2016 Major Roads Network (EMA.0007).
