

#15/55 – Children of the Street Society

School-Based Prevention Workshops on Sexual Exploitation

An application was received from the Children of the Street Society requesting a grant to assist with the cost of providing workshops in Burnaby to share information and practical tools with children from elementary age to high-school on how to be safe from sexual exploitation in your community.

Request: Unspecified

CPA: 2014 – No Application
2013 – No Application
