Hi Theresa,

**Pam London** | Mapping Technician | Engineering Systems and I would like to do a short presentation (5 minute demo) to Commission on Nov !8.

Presentation description:

November 18 is GSI Day and this is an exciting opportunity to share the GSI Public Art maps which are now available for public access.

Pam London, Mapping Technician and Ellen van Eijnsbergen, BAG Director/Curator will do a quick demo to show Commission how easy it is to access the information.

Thanks,

**Ellen van Eijnsbergen**
