Re: Parcel Tax Roll Review Panel  
2016 January 06..... Page 3

A Parcel Tax Roll Review Panel is scheduled to meet each year to provide an opportunity for property owners to appeal Local Area Services and Sewer Parcel Taxes that are being charged for the first time. The assessments confirmed by this Panel are the basis for the preparation of Local Area Services and Sewer Assessment Tax Rolls. In Burnaby, members of City Council constitute the Local Parcel Tax Roll Review Panel to hear such appeals. Sewer Parcel Tax charges are collected with Utilities and are billed in late January. Local Area Service charges are applied for the first time in May of each year. Should the panel find that Sewer Parcel Tax assessments are disallowed an adjustment will be made to the Tax Levy in May.

Council has previously appointed Mr. Leon A. Gous, Director Engineering, to perform the assessment function for Local Area Services and Sewer Parcel Tax. From 2014 Finance has administered the application of such assessments in partnership with Engineering.

It is recommended that Council appoint the Director Finance, or her delegate, to perform the assessment function for Local Area Services and Sewer Parcel Tax, with Engineering providing technical support at each Parcel Tax Roll Review Panel. For 2015 Finance and Engineering staff will be in attendance at the review panel.

It is recommended that Council approve a Parcel Tax Roll Review Panel be established in the Council Chambers to hear appeals against the Local Area Service and Sewer Assessment Rolls on Wednesday, 2016 March 30 at 6:00 pm.
