The City of Langley Council adopted the following resolution at their December 14, 2015 Regular Council Meeting:

1. *THAT Council make the following motion to the Federation of Canadian Municipalities:*

***WHEREAS** the Federal Government's Build Canada grant program generally shares the costs of all approved infrastructure projects equally between the province and local jurisdiction at one third each;*

***AND WHEREAS** for nationally significant projects, where projects provide a greater national benefit, and where communities are disproportionately and directly impacted by such projects, the burden of one third of the cost is inequitable and too high for the local jurisdiction;*

***THEREFORE BE IT RESOLVED** that the Federal Government's Build Canada grant program, National Infrastructure Component, be amended to fund a minimum of 50% of the project cost.*

2. *THAT this motion be forwarded to Metro Vancouver municipalities to request their endorsement.*
3. *THAT this motion be forwarded to Mr. John Aldag, Member of Parliament for Cloverdale-Langley City.*
