Subject: Two Burnaby Athletes Named to Junior Team Canada

Dear Members,

I am sending this email to notify you that there are two members from the Burnaby area that have been selected to represent Canada at the 2016 World Ball Hockey Championships in Sheffield, England, July 6-12. The Burnaby athletes hand-selected to make up Junior Team Canada not only for their sporting skill, but also that they embody integrity, a relentless work ethic, perseverance, humility and respect in sport are for the U16 Nick Upper and to the U20 Keagan Fedorko. Both young men have played for the Metro Ball Hockey Association and Burnaby Minor Hockey Association and attended school at Burnaby North Secondary. They are very proud to not only represent their country but also the City of Burnaby on their quest for "Gold."

I am writing to you because out of the 22,000 young Canadian Ball Hockey Association players, two athletes of the sixty-six chosen to represent Junior team Canada is connected to you and the City of Burnaby, and I am requesting your support. While the cost of sending these athletes internationally is partly subsidized by the CBHA, each athlete is tasked to finance the remainder of their trip to the cost of approximately \$3,100. Consequently I am searching for athlete sponsors. Your contribution of \$500 or more could be the determining factor in whether Nick and Keagan will be able to pull on the Canadian jersey.

On behalf of these athletes and their families I extend you my most sincere gratitude for any support you may be in a position to extend.

Thank you,

Sandy Upper

Sandra Upper, Secretary
