Dear Mayor and Council Members:

Re: UBCM Membership

It is my pleasure to write to invite your local government to renew its membership with the Union of BC Municipalities.

2015 was the 110th year that UBCM has represented local governments in British Columbia. Through these years of service, UBCM has developed a set of guiding principles that have stood our organization well: a commitment to advocacy and program delivery that is policy-based, nonpartisan, timely and credible.

Policy-based – our advocacy is based on the positions established by our members through resolutions at Convention, direct consultation of local government and analysis based on the best available data.

Nonpartisan – our approach is pragmatic and our outreach extends to all political parties.

Timely – UBCM keeps watch for windows of opportunity in order to effectively advance the shared interests of our membership.

Credible – having attained membership among 100% of BC's local governments, UBCM speaks on behalf of the diverse needs of BC's communities and regions.

These provide the foundation for how we respond and act on your behalf in our day-to-day work. The following are examples of those principles in action:

- UBCM's survey and report on the operations of the Auditor General for Local Government revealed significant performance gaps in the office and led to several legislative and operational changes to improve the office.
- Spoke out against the Province's decision to download the cost for DNA analysis in police investigations to local governments.
- Advanced local government interests in federal and provincial discussions with respect to the design of infrastructure programs.
- Managed the intake of 222 applications to the Strategic Priorities Fund through the Federal Gas Tax Agreement.

... 2

- Our Executive met with Ministers and MLAs at the Legislature to advocate for local government interests relative to infrastructure funding, impact of mental health issues on policing costs and land-based spills.
- Welcomed Huu-ay-aht First Nation as our 196th member.
- Continued to monitor elections expense limit legislation with the introduction of exposure bill in fall 2015.
- Secured \$10 million in additional funding for the Strategic Wildfire Prevention Initiative.
- Submitted report on the Standing Committee on Health on how to improve health in rural BC.
- Undertook a survey of members regarding forest policy and delivered the findings to the Minister's Forests and Range Practices Advisory Council.
- Supported processes to solicit local government input on a range of issues, including livestock policy; Agri-tourism in the Agricultural Land Reserve; hazardous waste and recyclable material; liquor policy; bio-solids storage; the Climate Leadership Plan; and emergency communication.
- Monitored development of federal Comprehensive Land Claims Policy in follow-up to our submission.
- Partnered with Reconciliation Canada to support the delivery of 100 Dialogue Workshops throughout BC.

It has been an honour for the Executive and staff of UBCM to work on your behalf this past year. With your renewed commitment to membership, we would be pleased to do so again in 2016-2017. If you have any questions or comments about our work, I would be glad to hear them. We look forward to your continued support for the coming year.

Sincerely,

Chair Al Richmond
UBCM President
