Subject: Zoning Bylaw 1965/Rezoning Reference #15-33

Rez Ref # 15-33

Bylaw # 13602

Hello,

I have received a notice of a public hearing being held on Tuesday May 31 regarding an application by BCIT to change the zoning designation to allow the establishment of a comprehensive sign plan. I have visited your website to get more information but am having difficulty finding copies of the report and related information, or the proposed bylaw amendment. Can you please email me copies of the aforementioned, or send links to where I might find them on your site?

Many thanks.
