Dear Councillor S. Dhaliwal:

Subject: Scouts Canada - Pacific Coast Council Grant Request #16.14

On behalf of the Pacific Coast Council, I would like to thank Burnaby City Council for awarding Scouts Canada a grant in support of Scouting programs for Beaver Scouts, Cub Scouts, Scouts, Venturer Scouts and Rover Scouts in the amount of \$5,000.00 for 2016.

The generosity of the Council is very much appreciated in our continuing efforts to develop well rounded youth, better prepared for success in the world.

Scouts Canada has a long and prestigious history of serving youth in communities across Canada. It is Canada's largest and longest serving youth organization, offering exciting programs for boys, girls and young adults ages 5 to 26. For more than 100 years, we have brought a world of adventure, outdoor experience and friendship to 17 million Canadian youth.

We take great pride in celebrating a strong connection to our country's roots, and through our many programs and activities, we empower young people access to life changing programs across our communities. These activities provide youth with a positive influence, leadership opportunities, self-development, and the creation of positive self-esteem; our main program objective is to develop the youth of today into the leaders of today and tomorrow. **It starts with Scouts!**

Thank you for your support of Scouting.

Yours truly,

Alamin Pirani
Council Executive Director
