The recommended company, Parsons Inc., has completed previous assignments to the satisfaction of the City. City staff has reviewed the proposals for compliance with the terms of the RFP document, project team and corporate experience, level of effort, past performance, innovation and ability to meet the prescribed schedule, and overall cost. The Director Engineering concurs with the above recommendation.

Funding has been provided for this capital work within the 2016 – 2020 Annual Financial Plan under the following WBS element: EKA.0015 (\$287,600).
