Dear Mayor & Council,

The Transca Project will be a great addition to the Metrotown Area. An update is very much needed for this location which will not only enhance and improve the area but also create more affordability.

I am in support of the proposed rezoning.

Dear Mayor and Council,

Creating density and affordability is key in areas close to skytrains, shops, restaurants. Building more new developments around the Metrotown area is a fantastic proposal.

I am in support of the proposed rezoning.

Dear Mayor and Council,

I am looking to downsize and stay in Burnaby. Metrotown is a location I've been thinking of buying into due to its proximity to parks, trails, restaurants and skytrain. I look forward to more new developments in the area.

I am in support of the proposed rezoning

Sincerely,

Dear Mayor and Council

**Re: Rezoning Application #15-49 - Imperial Street/Dublane Avenue and Nelson Avenue**

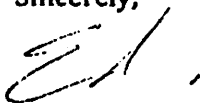

I am a long time resident of North Burnaby and is looking to move near Metrotown in the next few years.

I am so excited for this project to go forward as it is so centrally located to amenities that I can walk too such as Bonsor community center and Metrotown town center. This building will further add to the amazing architectural landscape that exists in this area!

I herby give my support for this project and development. We need Burnaby to continue to be progressive in new developments.

Thank you so much.

Sincerely,

Ed Wong

I am writing to express my support for the upcoming Imperial Project. My family is looking for a downsize for our mother and we found that this project was a good fit for its location – close to transit, community, recreation and shopping.

My mother has friends that live in the area and it would be very convenient for her to socialize with them with minimal effort for transportation as she doesn't drive.

She also frequents the shopping malls like Metrotown and Crystal Mall for physical activity and social purposes.

Overall, this project would be a great fit and timing for my mother. We support this project and hope the City approves moving forward with continued development of units that suit downsizers like my mother.

**Rezoning Application #15-49**

Rez Ref # 15-49

Dear Mayor and Council,

I have lived in Burnaby my entire life and I was happy to hear about this proposal for a new high rise that I gladly welcome. Metrotown is a wonderful community with friendly people, great parks with many amenities at your door.

I am looking to downsize in the very near future and to stay in the neighbourhood that I grew up in. The 'Imperial Project' is exactly what we would be interested in. My kids would also love to live in this same neighbourhood. Purchasing a house is expensive and they need less expensive options such as condos in the Metortown area. They could commute to work without having to take a vehicle as the Sky Train is near by.

I am definitely in support of the proposed rezoning.

Sincerely,

Peter Prastos
