RE: Grant Application for Coastal Conference 2017

Dear Executive Committee,

On behalf of AIESEC SFU and the Coastal Conference 2017 Organizing Committee, I would like to extend an invitation to the City of Burnaby to support our upcoming student leadership conference. We are requesting your support in the form of a grant of \$700 to help cover audio-visual and printing costs.

AIESEC is the world's largest non-profit, student-run organization. AIESEC develops today's youth through challenging leadership experiences, international internships, and interactions with the global network. In partnership with businesses, government, and institutions of higher education, AIESEC has over 65 years of experience in developing students into globally-minded responsible leaders.

Coastal Conference is a three-day annual conference that gathers the local AIESEC committees at SFU, UBC, and UVic for a weekend of professional and personal development. By the end of the conference, students are equipped with the necessary skills to become global leaders, and are ready to make an impact in the world, through facilitating exchange and beyond.

With your support, Coastal Conference will be accessible to as many AIESEC members as possible by keeping the delegate fee low while still delivering a quality learning experience. This will contribute to social sustainability in the community by ensuring the diversity and inclusiveness of the conference delegation, and supporting the development of globally-aware youth leaders. In recognition of your support, City of Burnaby will have an opportunity to host a workshop at the conference, as well as receive verbal and written recognition on our website, social media and delegate package.

Please find attached below further details about our organization, event, and grant request. If you have any questions or concerns, please feel free to reach out to me at jgu.aiesec@gmail.com or by phone at (778) 865-9398. Thank you for your consideration and we look forward to hearing from you.

Sincerely,

Judy Gu
