February 24, 2017

To: Mayor and Councillors City of Burnaby

Subject: Eagle Creek Salmon release, request to place signs on public property.

Eagle Creek Streamkeepers has arranged with Department of Fisheries and Oceans to release 50,000 Chum Salmon on Eagle Creek by Charles Rummel Park on April 8 from 10AM to about 1PM.

To advertise to local citizens, for participation in the release, we would request your approval to allow 2ft X 2ft lawn signs (up to 50) to be placed on City Boulevards most in close proximity of the release.

We would like to place the signs about one week in advance of the release. The signs will be removed after the event.

Yours truly,

Copied to:
City Manager
Deputy City Manager
Dir. Engineering

President Eagle Creek Streamkeepers Society

NOTE: "In accordance with the Burnaby Street and Traffic Bylaw and Burnaby Sign Bylaw, a motion of Council is required to permit the temporary placement of signs on street-rights-of-way for this event". The request is supportable and Engineering staff will work with event organizers to determine the appropriate location and number of signs, maximum 25, to be placed on City boulevards.
