Financial Management Committee
City of Burnaby

Dear Mr. Johnston,

We are reaching out to you as Chair of the Financial Management Committee to request for a financial subsidy from the City of Burnaby for a Burnaby U14 Boys Soccer Team which plays for the South Burnaby Metro Club. The team is comprised of 14 Burnaby kids aged 13 years, and has won the privilege of going to the Provincial Championship in Vernon BC. The boys have represented the City of Burnaby in the Coastal Cup which was held in Aldergrove, and now are moving on to the Provincial Cup held in Vernon.

The team name is **SBMC United FC U14**.

There is a good portion of the boys who are less privileged and have financial issues. We are working to have Fund raisers to raise some funds for the team to try and cover expenses. Due to time constraints we don't feel that we will be able to raise enough money to cover a substantial portion of the cost for travel, and hotels.

We are reaching out to you to see if there is any possibility of getting some Financial help from the City.

Any amounts that could be provided would be very much appreciated, as the boys are proud to represent our city.

The BC Soccer Provincial Championship is in Vernon BC from July 6, 2017 to July 9, 2017 and this team will be representing the City of Burnaby.

Please let us know if there is any opportunity for this to happen.

We would like to thank you in advance for your consideration, and are eagerly looking forward to your reply.

Please feel free to contact me during the day at 604-528-2199.

Thank you,

Gordon Bozic
