Reference: ETC Subarea 2**SUBJECT: DEMOLITION OF 7252 KINGSWAY****PURPOSE:** To seek Council approval of capital funding to pursue demolition of 7252 Kingsway.

RECOMMENDATION:

1. **THAT** Council authorize an expenditure of \$700,000 from the Capital Program – Land Assembly and Development for demolition and advanced site preparation at 7252 Kingsway.

REPORT

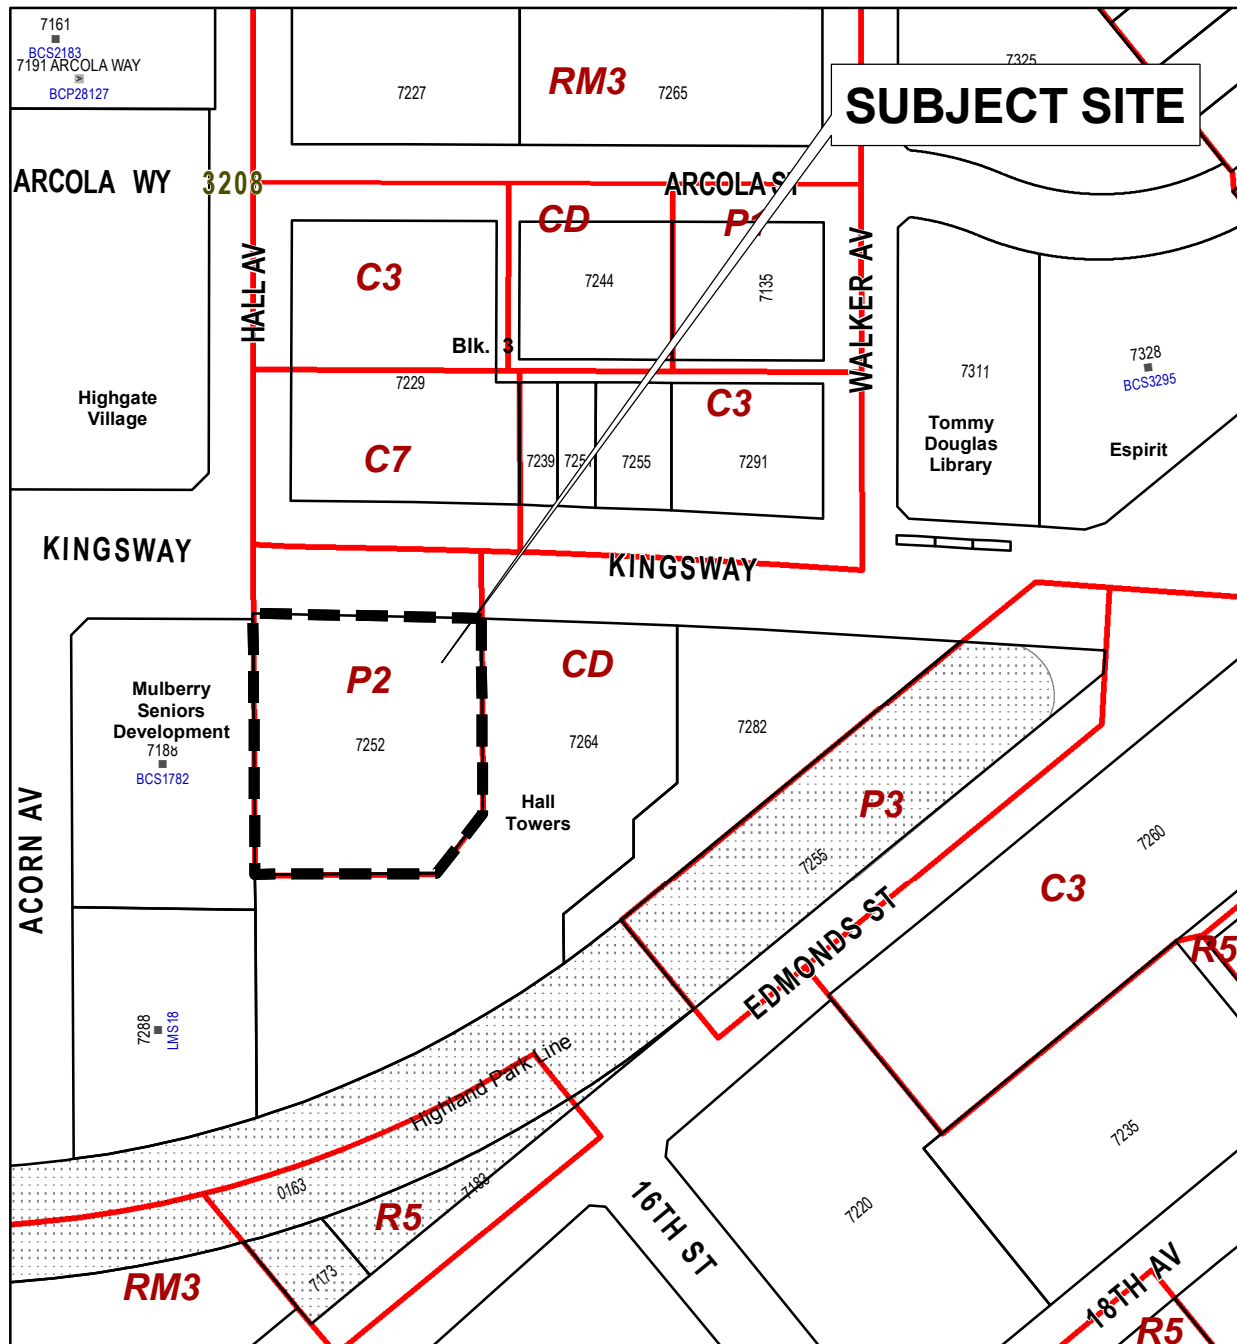

The site at 7252 Kingsway is owned by the City of Burnaby. It is improved with a two-level building that was constructed in 1962 and previously housed the Kingsway Branch Library. The building is presently vacant, is surplus to the City's needs, and near the end of its service life.

As part of advanced site preparation for future comprehensive development in line with the Edmonds Town Centre Plan, demolition of all improvements is recommended. Demolition and advanced site preparation activities are estimated to cost \$700,000. It is recommended that Council authorize this expenditure from the Capital Program – Land Assembly and Development. These funds would be reimbursed upon future sale of the properties for comprehensive redevelopment in line with the Edmonds Town Centre Plan.
