Comment	Dear Mayor Corrigan: I had the pleasure of attending the RCMP Musical Ride last evening at Swangard Stadium. Unfortunately the sound system there was so badly muffled my party could understand very little of what was said throughout the evening, including your remarks. I recently read of the wonderful surplus the City of Burnaby enjoys. How about spending a little of all that money on a new, better sound system for Swangard? Thanks for your attention to this concern Yours very truly Joy Nash
