Public Safety Committee Report from District 2

Prepared by Maisie Cheng, Chair

Some of our youth members have graduated from high school and because of reasons such as schedule conflicts, have left our CPAC. We will miss them and their contributions to our team and community! As a group, we are anticipating the addition of new youth members who will be brought on soon to continue their great work.

Members have noticed that there has been an increase in the number of youths smoking marijuana near Seaford Elementary and Burnaby North Secondary. As a response, measures have been taken to address this issue.

Some CPAC members are saying that citizens are still concerned about the central park death incident.
