To:  
The Office of the City Clerk,  
Dear Sir,

As occupants of #1206 - 2138 Madison Avenue, Burnaby B.C., my wife Meera Raghunathan and myself Narayan Raghunathan, would like to convey our objection to the re-zoning of the 4285 and 4295 Dawson Street. This would create unsustainable traffic in an already busy area with huge developments already coming up in the Brentwood Town centre area and in the Solo district. If it were a low rise building the damage would not be that much as opposed to a 37 storey high mega structure.

Yours truly,  
Narayan Raghunathan and  
Meera Raghunathan
