SUBJECT: BURNABY STORM SEWER EXTENSION CONTRIBUTION AND FEE
BYLAW 2017 – SCHEDULE A UPDATE

PURPOSE: To seek Council authority to update Schedule A of the Storm Sewer Extension Contribution and Fee Bylaw 2017

RECOMMENDATIONS:

1. **THAT** Financial Management Committee recommend Council authorize the City Solicitor to bring forward a bylaw to amend the Storm Sewer Extension Contribution and Fee Bylaw 2017 to update Schedule A to implement 2018 rates and include additional storm extension projects.

REPORT

On 2017 March 06, City Council adopted the Storm Sewer Extension Contribution and Fee Bylaw implementing a cost recovery mechanism for the City's costs of extending storm sewer mains to residential lots without this service.

Schedule A of this bylaw needs to be regularly amended to add any newly completed storm extension projects and impose fees on the corresponding benefitting parcels. Since 2017 March 06, three additional storm extension projects have been completed.

There are nineteen other projects at various stages (conceptual, design, and construction), and Schedule A will be updated once or twice per year to include these projects once they are completed.

To ensure full cost recovery of the initial City storm extension investment, the fees for previous projects already included in Schedule A also need to be updated to 2018 rates.
