 - *A subdivision plan dedicating the requisite rights-of-way has been submitted in registerable form and will be deposited in the Land Title Office prior to Final Adoption.*
- g. The consolidation and re-subdivision of the site into two legal lots.
 - *The requisite subdivision plan of consolidation has been submitted in registerable form and will be deposited in the Land Title Office prior to Final Adoption.*
- h. The granting of any necessary covenants, including, but not necessarily limited to, Section 219 Covenants:
 - restricting enclosure of balconies;
 - indicating that project surface driveway access will not be restricted by gates;
 - guaranteeing provision and maintenance of public art;
 - guaranteeing the provision and continued operation of stormwater management facilities;
 - ensuring compliance with the approved acoustical study;
 - for the provision and ongoing maintenance of the Stickleback Creek Streamside Protection and Enhancement Area;

- ensuring that handicap accessible parking stalls in the underground residential parking areas be held in common property to be administered by the Strata Corporation;
 - ensuring the provision and ongoing maintenance of EV cars and EV plug-in stations;
 - for the provision and ongoing maintenance of on-site car share vehicles and parking stalls;
 - ensuring the protection of suitable trees on-site during construction; and,
 - ensuring that the site can be used safely in accordance with the approved geotechnical report, and that the project does not draw down the water table.
- *The requisite covenants have been submitted in registerable form and will be deposited in the Land Title Office prior to Final Adoption.*
- i. The execution of an indemnity agreement by the developer saving the City harmless from all liability associated with this development in relation to its geotechnical and hydrological (including any potential contaminated groundwater) impacts to surrounding infrastructure and other nearby development.
- *The requisite indemnity agreement has been submitted in registerable form and will be deposited in the Land Title Office prior to Final Adoption.*
- j. The design and provision of units adaptable to persons with disabilities with allocated handicap parking spaces protected by a Section 219 Covenant.
- *The applicant has agreed to this prerequisite in a letter dated 2017 October 11, and the necessary provisions are indicated on the development plans.*
- k. Compliance with the Council-adopted sound criteria.
- *The applicant has submitted an acoustic study which has been accepted by Engineering Environmental Services Division, and a Section 219 Covenant to ensure compliance with the submitted study has been submitted in registerable form and will be deposited in the Land Title Office prior to Final Adoption.*
- l. The submission of a Site Profile and resolution of any arising requirements.
- *The applicant has submitted the required Site Profile for the development site, and has committed to obtaining the appropriate instrument from the Ministry of Environment prior to release of any Occupancy Permits. The required covenant governing this arrangement has been submitted in registerable form and will be deposited in the Land Title Office prior to Final Adoption.*

- m. The provision of covered car wash stalls and adequately sized and appropriately located garbage handling and recycling material holding space and a commitment to implement the recycling provisions.
 - *The necessary provisions are indicated on the development plans and the applicant has submitted a letter of undertaking dated 2017 October 11 committing to implement the recycling provisions.*
- n. The submission of a suitable Solid Waste and Recycling Plan to the approval of the Director Engineering.
 - *The suitable Solid Waste and Recycling Plan has been achieved.*
- o. The review of on-site residential loading facilities by the Director Engineering.
 - *The suitable on-site residential loading plan has been achieved.*
- p. The provision of facilities for cyclists in accordance with this report.
 - *The provision is indicated on the development plans and the applicant has submitted a letter dated 2017 October 11 agreeing to meet this prerequisite.*
