Subject: Letter for council: regarding rideshare

Dear council,

It is upon reading of your planned expansion of the Bonny's taxi Monopoly in Burnaby that I am compelled to petition your better judgement.

It merely takes a fleeting glance at the search results of this company to leave a bad taste in one's mouth, let alone the myriad of first hand sub-par encounters experienced by myself and other Burnaby residents; why then do you insist on staying the status quo and not allowing any expansion from new avenues? I do not suggest an uncontrolled marketplace but surely you have experienced the convenience and ease of ride sharing services. (Lyft, Uber, Etc.)

Myself and many of whom I associate are utterly baffled by your resistance to adapt to the changes in the transportation marketplace, and would like very much for you to elaborate the underlying reasons for which you take this stance.

Thank you for your time and consideration. I look forward to your response.
