Dear Parks and Recreation,

The Burnaby Glens District, Girl Guides of Canada **Holly Tea and Fair** on November 25, 2017 was very successful. It was a real community event, attended by approximately 400 people. They enjoyed refreshments, visited, shopped, and played games. Most importantly, they bid on Silent Auction items. The Holly Tea is our major fundraiser for the year and the Silent Auction is the most significant component of this.

This is possible thanks to generous donations such as the drop in passes for fitness and swimming. We sincerely appreciate your continued support of Girl Guides. In Guiding, girls learn citizenship, global awareness, self-reliance, responsibility, and camping and other skills. They also make lifelong friendships. You can be proud to have made a contribution toward a positive future for girls.

Thank you again,

Marie Fenton, Silent Auction Co-ordinator

Margaret Stevens, Holly Tea Co-ordinator
