Subject: Re: Sustainable City Advisory Committee Meeting, Feb. 6

Hello Nikolina,

Yes, we will want to register to present at the Sustainable City Committee meeting on Tues, Feb. 6.

We will be presenting on the content of our letter to Council, that is, about the Heights wishing to have policy implemented that would encourage and require electric vehicle charging stations in Urban Villages like ours.

The name of the speaker is myself, Isabel Kolic, of the Heights Merchants Association, 4019 Hastings Street. I may be accompanied by another Board member (I do not know who yet - but I should know in the next couple of weeks).

My telephone number is 604-294-9060. Email is isabel@burnabyheights.com

Thank you so much!

Isabel
