Meeting 2018 Apr 09

COUNCIL REPORT

TO: CITY MANAGER **DATE:** 2018 April 04

FROM: DIRECTOR FINANCE **FILE:** 5820-20
Reference: Tender 058-03/18

SUBJECT: CONTRACT AWARD
2018 SANITARY SEWER MAINLINE GROUT

PURPOSE: To obtain Council approval to award a contract for the 2018 Sanitary Sewer Mainline Grout Project.

RECOMMENDATION:

1. **THAT** Council approve a contract award to Mar-Tech Underground Services Ltd. for an estimated total cost of \$715,431.99 including GST in the amount of \$34,068.19 as outlined in this report. Final payment will be based on the actual quantity of goods and services delivered and unit prices as tendered.

REPORT

Three tenders ranging from \$695,152.50 to \$1,548,271.20 were received by the closing time on 2018 March 21. The scope of this project includes sanitary mainline joint testing, joint grouting and CCTV inspection in the Westridge I and Sixth Street sanitary sewer areas.

The lowest tenderer, Superior City Contracting Services Ltd., has previously completed projects with the City; however they experienced quality control, general administrative and fair wage deficiencies associated with two previous projects. Reference checks by City staff indicate that Superior City Contracting Services Ltd. has not yet sufficiently improved their performance to warrant award of a contract of this scope and size at this time.

The second lowest tenderer, Mar-Tech Underground Services Ltd, has completed previous projects under contract to the satisfaction of the City. Review by City staff indicates the contractor has the necessary equipment and personnel to successfully complete the work required under this contract. The Director Engineering concurs with the above recommendation.

Funding for this work is included within the Sanitary Sewer's 2018 operating budget.
