Subject: Appear as a Delegation before Council

Good morning,

We would like to appear as a Delegation before Council.

The reason that we would like to appear as a Delegation before Council as we have petitions regarding the Highgate Greenway. The petitions is due to the public drinking, drug use and selling, urinating in the area, loud swearing and rowdiness to late at night and into the early hours of the mornings. We are representing the Residents of the towers in the area...they are afraid of their safety by walking thru the public walkway. For some Elderly Residents this really poses a big problem for them to access the shopping mall. Also, the damage that these certain individuals are doing to the property.

We would really appreciate if we could speak to the Council as soon as possible to rectify these problems.

Thank you very much.

Regards
Diane Pesic
