Subject: 7028 Mawhinney Close, Burnaby, BC

Dear Board of Variance members,

We are constructing a house on 7028 Mawhinney Close for the special needs of our client Mr. Kawaldeep Singh Dhaliwal and his family.

This lot is a quite challenging as of easements on the south side and creek on the west side of the house.

Due to above restrictions, building envelope sits on a steep slope, in one corner of approximately 22,000 square feet property. Easy accessible driveway is not possible without grade manipulation.

We are requesting a maximum possible reduction in driveway slope to meet our client's family needs. If variance is allowed the family will not suffer the hardship of easy accessibility.

Yours sincerely,

Sukhdev Sandhu
