Public Safety Committee Report from District 2

Prepared By Aki Ediriweera, Chair

Our SFU representatives have seen quite a few speeding cars after 9 pm and onwards driving down the hill from school especially around the summer time, possibly due to students off during the summer semester.

Our Burnaby Mountain representatives have had their school year has come to an end so CSI school club activities have been wrapped up for this year. They are looking to finish working on the club video for next year and expanding their reach for cell and speed watch.

Our Cameron Public library representatives have had recent occurrences of people setting up tents overnight that would disappear soon after but reappear over time.

Our district's new CPO coordinator is Maureen Clements. Our district's speed watch and cell watch program will be back up and running once our van is back.

We did not meet for a May, 2018 meeting due to a lack of quorum.
