Dear Financial Management Committee,

On behalf of Pets and Friends, I would like to express my sincere appreciation and gratitude for the \$1,000 grant in support of seniors living in care facilities in the City of Burnaby.

Pets and Friends provides free pet visitation to care and educational facilities in the Lower Mainland. Each year, our long-running (1982) and highly effective pet visitation program touches the lives of more than 15,000 people in over 200 health care and educational settings across the Lower Mainland.

With the help of generous supporters like The City of Burnaby, we strive to meet the needs of facilities in our neighbourhood that request pet therapy as a way to improve the lives of their patients and residents.

Sincerely,

Lauren Salmon
