**Goal**

  - Social connection – Enhance social connections throughout Burnaby
- An Inclusive Community
  - Create a sense of community – Provide opportunities that encourage and welcome all community members and create a sense of belonging
- A Healthy Community
  - Community involvement – Encourage residents and businesses to give back to and invest in the community

## 1.0 ROUTING AND TRAFFIC CONTROL

This parade is unique in format compared to other parades in Burnaby. All other parades use the closure of one main road whereas the Nagar Kirtan utilizes six roads for their parade route. The use of rolling road closures ensures that inconvenience to residents, businesses and the motoring public is minimized. To safely accommodate the needs of residents, businesses and participants, an active role by the organizer, City staff and the RCMP is required.

The parade routing and proposed road closures are similar to previous years and are outlined on the *attached* map. The parade will assemble on the temple grounds located at 7271 Gilley Ave. The parade will start at 12 noon and head south on Gilley to Rumble, right on Rumble to Royal Oak, right on Royal Oak to Imperial, right on Imperial to MacPherson, right on MacPherson to Beresford and left on Beresford to return to the temple at approximately 6:00 pm.

The parade will make several temporary stops along the parade route. One temporary stop requires the closure of Dorset between Antrim and Sellers to better accommodate the anticipated pedestrian traffic.

The parade organizers will be required to arrange for the delivery, installation and removal of all necessary traffic control equipment (i.e. barricades) and services at their cost. The RCMP and Engineering Department will have staff available to assist in traffic control during the parade.

## 2.0 PARKING REMOVAL

Parking will be prohibited along the parade route between 11:00 am and 6:00 pm as required. City Bylaw officers will arrange for the removal of any vehicles left on the street during the restrictions. Vehicles will be ticketed and towed to Mundie's Towing at the owner's expense.

## 3.0 TRAFFIC SIGNAL OPERATIONS

All traffic signals along the parade route will remain in normal operation. Certified traffic control people will be stationed at all signalized intersections to control traffic operations as required during the parade and control the pedestrian crosswalk on Gilley at Beresford for the safety of the anticipated pedestrian traffic generated by the event.

In addition, the RCMP will monitor and control the pedestrian crosswalk on Gilley at Beresford for the safety of the anticipated pedestrian traffic generated by the event.

#### 4.0 TRANSIT OPERATIONS

Coast Mountain Bus Company has been informed of the upcoming parade and they will reroute and reschedule buses as required during the parade.

#### 5.0 NOTIFICATION

The parade organizers will be providing a letter two weeks in advance of the parade to all affected businesses and residents and will be working closely with the community prior to the parade to minimize any potential problems. Organizers will also be advertising in the local newspapers and radio stations.

Large advance warnings signs will be installed on Imperial, Merritt, Royal Oak, Rumble, Gilley and Beresford by Friday, 2019 March 29 to forewarn the motoring public of the upcoming road closures and detour routes.

The organizers are aware that approval is subject to the following conditions:

1. That the parade be conducted under the supervision of one person as marshal or organizer.
2. That all participants be instructed to respect the rights and property of individuals encountered en route.
3. That the organizers are responsible for arranging for barricade volunteers for all barricade locations except where RCMP will be present.
4. That the parade schedule be adhered to minimize inconvenience to the public.
5. That the parade be covered with liability insurance in the amount of \$2 million with the City of Burnaby named as co-insured, and that the insurance policy include a thirty day cancellation notice and a cross liability clause.
6. That a signed copy of the "City of Burnaby Permit For Short Term Use And Occupancy Of City Lands" be received no later than one week prior to the event.
