

## **Community Policing Report District 3**

### **Summary report for January and February, 2019.**

Recruitments for Volunteers have been distributed within District 3.

January meeting had no quorum but we did have a volunteer guest from the neighbourhood eatery. We will have two student volunteers joining our meeting next month. CPO also has two potential recruits.

A member was concerned about an influx of scam calls targeting computer users to reveal confidential information about their system by posing as a Microsoft personnel. It was advised to ignore the call and if it persists, to report.

In February meeting we invited two student volunteers and a volunteer from the Tommy Douglas Library as our guests. We also had some CPAC Chairs visiting District 3 as well.

A member reported that he noticed the traffic is flowing slowly at the Cariboo Road where the accident happened. He said that the measures taken by the City is working and also the drivers are paying attention to the traffic light and the crossing.

Some District 3 members received awards for a five year and 2 ten year on Feb 2. The Volunteer Appreciation Dinner was much appreciated and thank you to the organizers.
