The prerequisite conditions have been satisfied as follows:

- a) The submission of a suitable plan of development.
  - *A complete suitable plan of development has been submitted.*
- b) The deposit of sufficient monies, including a 4% Engineering Inspection Fee to cover the costs of all services necessary to serve the site and the completion of a servicing agreement covering all requisite services. All services are to be designed to City standards and constructed in accordance with the Engineering Design. One of the conditions for the release of occupancy permits will be the completion of all requisite services.

- *The applicant has submitted the necessary funds including a 4% inspection fee to cover the costs of all services necessary to serve the site and the servicing agreement has been completed.*
- c) The installation of all electrical, telephone and cable servicing, and all other wiring underground throughout the development, and to the point of connection to the existing service where sufficient facilities are available to serve the development.
  - *The applicant has agreed to this prerequisite in a letter dated 2018 November 15.*
- d) The granting of any necessary statutory rights-of-way, easements and/or covenants.
  - *The requisite statutory rights-of-way and covenant plans have been submitted in registerable form and will be deposited in the Land Title Office prior to Final Adoption.*
- e) The granting of Section 219 Covenants:
  - restrict enclosure of balconies;
  - to ensure all disabled parking spaces remain as common property; and,
  - to ensure that licensed capacity and operating hours of the liquor primary use are maintained as described in Section 3.3 of this report.
  - *The requisite covenants have been submitted in registerable form and will be deposited in the Land Title Office prior to Final Adoption.*
- f) The pursuance of Storm Water Management Best Practices in line with established guidelines, and the granting of a Section 219 Covenant to ensure continued maintenance.
  - *The applicant has agreed to this prerequisite in a letter dated 2018 November 15. The required covenant has been submitted in registerable form and will be deposited in the Land Title Office prior to Final Adoption.*
- g) The review of a detailed Sediment Control System by the Director Engineering.
  - *The applicant has submitted engineering design drawings and has agreed to this prerequisite in a letter dated 2018 November 15.*
- h) The submission of a Site Profile and resolution of any arising requirements.
  - *The applicant has submitted the required Site Profile. No remedial works are required in connection with the proposed development.*

- i) The provision of a covered car wash stall and an adequately sized and appropriately located garbage handling and recycling material holding space to the approval of the Director Engineering and a commitment to implement the recycling provisions.
  - *The necessary provisions are indicated on the development plans and the applicant has submitted a letter dated 2018 November 15 committing to implement the recycling provisions.*
- j) Compliance with the guidelines for surface and underground parking for residential visitors and commercial patrons.
  - *The applicant has agreed to this prerequisite in a letter dated 2018 November 15.*
- k) Compliance with Council-adopted sound criteria.
  - *The applicant has submitted an acoustical study which has been accepted by the Engineering Environmental Services Division and submitted a letter dated 2018 November 15 agreeing to comply with the Council-adopted sound criteria.*
- l) The undergrounding of existing overhead wiring abutting the site.
  - *The applicant has agreed to this prerequisite in a letter dated 2018 November 15 and has deposited the necessary funds to guarantee the completion of this prerequisite.*
- m) The submission of a detailed comprehensive sign plan.
  - *The applicant has agreed to this prerequisite in a letter dated 2018 November 15.*
- n) The deposit of the applicable Parkland Acquisition Charge.
  - *The required deposit has been made to meet this prerequisite.*
- o) The deposit of the applicable GVS & DD Sewerage Charge.
  - *The required deposit has been made to meet this prerequisite.*
- p) The deposit of the applicable School Site Acquisition Charge.
  - *The required deposit has been made to meet this prerequisite.*
- q) The submission of a written undertaking to distribute area plan notification forms, prepared by the City, with disclosure statements; and, to post area plan notification signs, also prepared by the City, on the development site and in the sales office in prominent

and visible locations prior to Third Reading, or at the time marketing for the subject development commences, whichever is first, and remain posted for a period of one year, or until such time that all units are sold, whichever is greater.

- *The applicant has provided a letter of undertaking dated 2018 November 15 and the area plan notification sign is in place.*

As the prerequisite conditions to this rezoning are now complete, could you please arrange to return this amendment bylaw to Council for Reconsideration and Final Adoption on 2019 March 11.
