SUBJECT: CONTRACT AWARD
CA-3071 COMBINED SEWER SEPARATION AND WATER
PROGRAM – BOUNDARY & WILLINGDON

PURPOSE: To obtain Council approval to award a contract for the combined sewer separation and water program at Boundary Road and Willingdon Avenue.

RECOMMENDATION:

1. **THAT** Council approve a contract award to Sandpiper Contracting LLP for an estimated total cost of \$4,499,093.03 including GST in the amount of \$214,242.53 as outlined in this report. Final payment will be based on the actual quantity of goods and services delivered and unit prices as tendered.

REPORT

Four tenders ranging from \$4,499,093.03 to \$6,724,014.15 were received by the closing time on 2019 March 27. The scope of this project includes the construction of 1200m of watermain replacement, 950m of combined sewer separation and 8000 m² of road and lane rehabilitation in the area of north Burnaby along Boundary Road and lanes between Trinity Street and Oxford Street, as well as storm work at the intersection of Willingdon Avenue and Penzance Drive.

The lowest tenderer, Sandpiper Contracting LLP, has completed previous projects under contract to the satisfaction of the City. Review by City staff and our consultant indicates that the contractor has the necessary equipment and personnel to successfully complete the work required under this contract. The Director Engineering concurs with the above recommendation.

Funding is provided for this capital work within the 2019 – 2023 Provisional Financial Plan under the following WBS elements: AEC.3071 (\$325,700), EJA.3071 (\$917,500) and EKA.3071 (\$3,041,700).
