CA-3056 REACH 8 DYKE**

PURPOSE: To obtain Council approval to award a contract for the construction of the Reach 8 Dyke.

RECOMMENDATION:

1. **THAT** Council approve a contract award to Wilco Civil Inc. for an estimated total cost of \$6,077,301.30 including GST in the amount of \$289,395.30 as outlined in this report. Final payment will be based on the actual quantity of goods and services delivered and unit prices as tendered.

REPORT

Four tenders ranging from \$6,077,301.30 to \$7,740,002.00 were received by the closing time on 2019 April 29. The scope of this project includes the construction of approximately 950m of dyke along the Fraser River North Arm between Glenlyon Creek and Byrne Creek (referred to as Reach 8).

The lowest tenderer, Wilco Civil Inc., has completed previous projects under contract to the satisfaction of the City. Review by City staff and our consultant indicates that the contractor has the necessary equipment and personnel to successfully complete the work required under this contract. The Director Engineering concurs with the above recommendation.

Funding is provided for this capital work within the 2019 – 2023 Provisional Financial Plan under the following WBS elements: ELA.3056 (\$5,416,700) and EMC.3056 (\$371,300)
