**Subject:** Request to appear at Burnaby City Council

Dear Clerks office,

As discussed, please find attached a brief summary from the Sustainabiliteens who are requesting to present to Burnaby City Council about the work they are doing in the Lower Mainland around the climate crisis. I've also discussed this with Councillor Keithley.

If possible, they would like to appear at the Council meeting this Monday, May 27th should there be room on the agenda. They are appearing in front of Maple Ridge City Council on June 10th so wouldn't be available that date.

While I'm not involved with the Sustainabiliteens, I volunteered to help them put this request forward as part of my work with Climate Reality Canada. I'm not requesting to appear but will be present if required. There will likely be three people presenting: Lilah, Rebecca and one other member to be confirmed.

Please let me know if you need any further information for your review.

Many thanks,

Andrew
