Dear Sir/Madam:

## **Delegation**

Please be advised that I wish to appear as a delegation before the above committee on June 5, 2019, to present a proposal that bicycle routes on Burnaby streets are brought up to the standard prevailing in the City of Vancouver. I shall submit a series of images and prepared text to support my presentation by May 29, 2019, at which time I shall confirm that I shall be the only speaker (or advise otherwise).

Yours truly
