**Subject:** To Mayor & Council

Dear Mr Mayor & Council,

I would like to suggest an initiative take place by the City of Burnaby to honour our very own National Treasure Christine Sinclair. You will know Ms Sinclair to be the Captain of our National Women's Soccer Team who originates from Burnaby and is ebbing on the all time greatest scoring record in the world!

I have no way of knowing if this is already under consideration, but, would very much like to see something from the City of Burnaby to recognize "Sincy" today and for the future. You will know your appropriate resources better than I but at first flush I'd like to throw these suggestions onto the brainstorming list:

- rename Swangard Stadium
- build a new stadium!
- something around the Fortis Centre
- a park within the Bonsor Rec Centre

Kindest and most respectful regards,

Berni James
