3.0 COMMUNITY GRANTING POLICY REVISIONS

Under Section A, Ineligible General Requests, subsection ii) currently states: Organizations that provide funding to 3rd party organizations. It is recommended that this subsection be revised to state: Organizations that provide funding to non-Burnaby based 3rd party non-profit organizations. The intent of this revision is to ensure that organizations which are awarded a community grant provide funding only to Burnaby based 3rd party non-profit organization.

Further, under Section A, Ineligible General Requests, subsection iii) currently states: Organizations applying for a grant for a fundraising project/event/program, proceeds of which are to be donated to 3rd party organizations. In order for Burnaby based non-profit organizations to be eligible to receive community grants for fundraising purposes for other Burnaby based non-profit organizations, it is recommended that this subsection be removed from the Policy.

4.0 RECOMMENDATION

It is recommended that Council approve revisions to the Community Grant Policy, as outlined in this report.
