Dear mayor and council

Thank you for the great job you do of running the City of Burnaby

I do wish however to express my disgust at the new tax / business licence imposed on rental properties. The lower mainland has become a non affordable place to live for a large part of the population. This is adding burden to those who can least afford it. Ultimately it is not those you choose to invest in real estate but will be passed on to the tenants.

Please reconsider this.

Best regards, John Vis
