FROM: DIRECTOR FINANCE **FILE:** 5820-20
Reference: Tender 240-11/19

SUBJECT: CONTRACT AWARD
CA-3179 STORM SEWER EXTENSIONS 2019B

PURPOSE: To obtain Council approval to award a contract for the construction of storm sewers, sewer services, manholes, road rehabilitation and miscellaneous surface restoration.

RECOMMENDATION:

1. **THAT** Council approve a contract award to Sandpiper Contracting LLP for an estimated total cost of \$4,324,422.90 including GST in the amount of \$205,924.90 as outlined in this report. Final payment will be based on the actual quantity of goods and services delivered and unit prices as tendered.

REPORT

Six (6) tenders ranging from \$4,324,404.00 to \$7,235,935.35 were received by the closing time on 2019 December 04. The tender submissions were reviewed and the lowest tender submission was deemed non-compliant. As a result, the City is recommending the second lowest tender submission, Sandpiper Contracting LLP, as it is competitive and reflective of the current market conditions. The scope of this project includes extensions of storm sewers at eighteen (18) locations throughout the City and replacement of sanitary sewers at two (2) sites. The work includes construction of 2,740m of DR35 PVC storm sewer, 160 sewer services, supply and install of 58 manholes, 8,200m² of road rehabilitation and miscellaneous surface restoration.

The second lowest tenderer, Sandpiper Contracting LLP, has completed previous projects under contract to the satisfaction of the City. Review by City staff and our consultant indicates the contractor has the necessary equipment and personnel to successfully complete the work required under this contract. The Director Engineering concurs with the above recommendation.
