RECOMMENDATION:

1. **THAT** Council approve a contract award to Arsalan Construction Ltd. for a total cost of \$1,015,866.60 including GST in the amount of \$48,374.60 as outlined in this report.

REPORT

Five tenders for this contract ranging from \$1,015,866.60 to \$1,396,300.50 were received by the closing time on 2015 June 17. The work of this contract involves the construction of road widening including: turn lanes and shoulders, ditches, clearing and grubbing, and adjustment of street lighting and traffic signals.

The recommended company Arsalan Construction Ltd. has not previously undertaken a contract for the City; however, reference checks by our consultant indicate that they have successfully completed contracts in a satisfactory manner for other Lower Mainland cities and the contractor has the resources to successfully complete the work required under this contract.

The Director Engineering concurs with this recommendation.

Funding for this work is included in the 2015 – 2019 Financial Plan under the WBS element ERA.0035 (\$967,492.00).
